

New Business:

Spring Into Art: We would like to have the Arbor Day celebration at Spring Into Art and plant a tree during the event. A sign- up sheet was distributed to volunteer to help that day with the educational booth that the PUF Board will man.

Tree City USA: Derby is a Tree City USA recipient for the 27th year.

Dog Park Maintenance/Weather Closure Discussion: Maintaining the park due to the number of dogs the park will be receiving is important. Mr. White asked for opinions on when would the best time to close the park for maintenance. We will need to come up with operating hours of the dog park and maintenance times will need to be considered. Monday mornings seem to be a good time, we may be able to create a Facebook page for the dog park and post rules and hours. Bermuda sod is being installed in the park. The sod could be torn up very quickly if the park is operating when it has rained. Options were discussed for closing the park for bad weather or sectioning off parts of the park to let the grass heal where it could have been damaged.

Motion to adjourn: Jason Griffin moved to adjourn the March 12, 2020 PUF meeting.

Second: Bruce Renburger, second.

Vote: All yea, motion carried unanimous.

End.

Respectfully Submitted,
Shana Sneath
Public Works Coordinator,

Sherii Farmer
