(If you are an active email user, the City prefers using email to save on postage costs.)

I request an exception to the City's requirement for collection of residential refuse by the City's designated contractor because (check one):

1. The resident of a nearby property has agreed to allow me to dispose of my residential refuse along with his/her refuse (part 2 below must be completed).

2. I can meet my obligation for weekly disposal of residential refuse by other reasonable means (please describe alternative arrangement):

3. I understand that an exception, if granted, is based on the circumstances set forth in this application and may be revoked if my situation changes or my application is found to misstate material facts.

Signature of Applicant _____ Date: _____

PART 2 *(must be completed and signed if box "1" is checked in Part 1 above)*

Cooperating person (if applicable):
